## JUNIOR

### GB RECOMMENDATION

Meccano Junior grows with your child. It complements and stimulates imagination and manipulative skills from 4 to 7 years. With Meccano Junior, we recommend you start by using the step with elaborate models to progress from a simple introduction to more by step instructions in the Meccano Junior Toolbox.

### F RECOMMANDATIONS

Bravo d'avoir fait le choix de MECCANO JUNIOR pour votre enfant. Le système MECCANO est progressif : il accompagne et stimule le développement psychologique ( imagination, créativité, persévérance... ) et moteur ( habileté, précision... ) de l'enfant de 4 à 7 ans. Nous recommandons de débiter l'apprentissage du MECCANO JUNIOR par l'assemblage, étape par étape, des modèles d'introduction jusqu'aux modèles les plus élaborés de sa boîte à outils MECCANO JUNIOR.

### D EMPFEHLUNG

Wir beglückwünschen Sie zum Kauf des MECCANO JUNIOR. MECCANO ist ein System mit wachsender Kreativität. Es begleitet und stimuliert die psychologische ( Phantasie, Kreativität, Ausdauer... ) und motorische ( Geschicklichkeit, Genauigkeit ) Entwicklung des Kindes im Alter von 4 bis 7 Jahren. Für den Einstieg in das MECCANO JUNIOR System sollte mit dem Schrittweisen Bau der Modelle begonnen werden, von den Grundmodellen bis zu den komplexen Modellen des Werkzeugkastens MECCANO JUNIOR.
